BLOOD DRIVE

"Blood drive? Who said anything about a blood drive. I'm just here for the pizza!" exclaims Joe Ulloa.

"It was going very well until my boyfriend Dirk passed out and fell on me." -Alissa Murphy '97

Thinking

If you think you are beaten, you are.

If you think you dare not, you don't.

If you'd like to win but you think you can't,

It's almost a cinch you won't.

If you think you'll lose, you're lost.

For out of the world we find

Success begins with a person's will --

It's all in the state of mind.

If you think you're outclassed, you are;

You've got to think high to rise;

You've got to be sure of yourself before

You can ever win a prize.

Life's battle doesn't always go

To the stronger, faster woman or man.

But sooner or later the person who wins

Is the one who thinks they can.
